Activities in 2012

One event, the Lausanne Summit, is scheduled in 2012. This Summit will take place in Lausanne. The date is not yet known.

Two UMVO events will be hold in 2013.

Since 2012, the member cities will have to apply for hosting the Lausanne Summit. More details about the applying process will be given to the members at the beginning of 2012.

London 2012 House Project

The project is under construction. The location of the House has not yet been determinated.

We have some agreements with sponsors but are looking for more sponsorship.

More information will be communicated to the member at the start of 2012.

The President thanked and congratulated Rio de Janeiro for the excellent organisation of the Lausanne Summit.

The General Assembly closed.
