

Active Members - Benefits of membership

Statutes

Active Members: any city - meaning public entity - having organized, or being at the point of organizing, the Olympic Games or the Youth Olympic Games, may be admitted as an Active Member of the Association. The cities that have hosted part of an Olympic Games or a Youth Olympic Games (meaning an official Olympic event or group of events) can also be admitted as Active Members.

Fees

5,000 € /year

General benefits

- Active members and Associate Members are presented on the Who We Are page of the website and have access to the website's Private Member's area.
- The association enables member cities that have previously hosted Olympic Games events to enhance their experience and knowledge on matters related to hosting and organizing sport events, in particular through the sharing of experience at the annual Summit.
- The association supports past and future Olympic Cities in order to identify opportunities which will allow them to benefit from their status as an Olympic City.
- The association offers added value in that it is the only association of its kind that provides a direct link between host cities, the International Olympic Committee (IOC) and the world of international sport.
- Access to The Olympic Legacy Toolkit - Keep the Flame Alive and Olympic Celebrations' cases.

Marketing opportunities

- Member recognition
- Opportunity to submit case studies for publication on the website
- The association will also make its network of international sport federations and IOC contacts available to its members upon request
- Access to the restricted members' area which contains the contact details for the providers of the Toolkit cases and presentations at the Annual Meeting of the Union
- Membership recognition on the website Member Pages
