

Active Members - Benefits of membership

Statutes (no change)

Active Members: any city - meaning public entity - having organized, or on the point of organizing, the Olympic Games or the Youth Olympic Games, may be admitted as an Active Member of the Association. The cities that have hosted a part of an Olympic Games or a Youth Olympic Games (meaning an official Olympic event or group of events) can also be admitted as Active Members.

Fees

5000 € / year

General benefits

- Active members and Associate Members are presented on the “Who we are” web page and have access to the private Members’ area of the website.
- The association enables Member cities that have held Olympic Games events to enhance their experience and knowledge in matters of hosting and organizing sport events, in particular through the sharing experience at the annual Summit.
- The association supports past and future Olympic Cities, in order to identify opportunities which will allow them to benefit from their Olympic City status.
- The association offers a unique platform that provides a direct link between Host Cities, the International Olympic Committee (IOC), Olympic Legacy Stakeholders and the world of international sport.
- Access to The Olympic Legacy Toolkit - Keep the Flame Alive and Olympic Celebrations' cases.

Marketing opportunities

- Member recognition
- Opportunity to submit case studies for publication in the newsletter and on the website
- Opportunity to feature an interview in the newsletter
- The association will also make its network of international sport stakeholders contacts available to its Members upon request
- Access to the Members’ restricted area which contains contact details for the Toolkit cases providers and the presentations at the Annual Meeting of the Union
- Membership recognition through the Member Pages of the website

Membership to the smartcities & sport summit network

Active Members receive complementary membership to the smartcities & sport network.

- Membership recognition through the placement of the organisation’s logo and profile on the smartcities & sport website
